

Manager, Highland Testing Center

FLSA Status: Exempt

Pay Grade: 16

Job Title ID: 123506

Job Series/Job Family: Student Support & Success Series / Student Learning Services Family

Reports To

Dean, Student Services

Job Purpose

To manage the Highland Business Center Assessment and Testing site, supervise the acquisition of additional testing opportunities, and to oversee other contract test locations for Austin Community College.

Description of Duties and Tasks

Essential duties and responsibilities include the following. Other duties may be assigned.

Required

1. Manages testing centers activities and staff scheduling; approves written procedures and guidelines for all testing activities, audit, and money transactions; and oversees implementation of proper testing protocols.
2. Hires, supervises, trains, and evaluates testing center personnel to ensure adequate staff coverage to meet daily testing workload; conducts workshops to provide professional development of testing personnel; maintains a list of qualified and trained proctors to administer exams for ACC at on or offsite testing centers.
3. Assesses business testing needs in partnership with the Workforce Development group and develops new assessment and testing services, which includes "High Stakes" testing through the ACT Certification and Licensure Exam Program, Pearson VAU Testing Center, MSSC Testing Center, iBT/GRE Testing Center, National Testing Consortium, CLEP Testing Center, DSST Testing Center, Proctored Examination Center, Academic, TSI, TABE and contract test sites off of the Austin Community College campuses.
4. Oversees and signs annual center contracts including renewals and new contract arrangements.
5. Schedules and administers course placement assessment and instructional testing.
6. Develops security plan for all assessments housed in the Center.
7. Develops and implements, in collaboration with process holder and Dean, procedures to ensure compliance of college policies, state requirements, and quality service.
8. Follows state and college regulations and course skill requirements to determine eligibility for assessment testing.
9. Interprets test scores and high school/college transcripts for course placement.
10. Ensures that rules and regulations of national testing companies, the American Council on Education, and the Texas Education Agency are followed.
11. Serves as the Budget Authority and manages the preparation and monitoring of the unit budget, preparation of purchase requisitions, and maintains supplies and equipment inventories. Manages the collection of accounts receivables, maintains fiscal records and the audits of all money transactions to include the invoicing of center funds.
12. Supervises the collection of data in relation to report preparation, trend utilization, and monthly billing of programs using ACC testing facilities.
13. Responsible to see that testing center environments are sensitive to user requirements.
