### Reports To

Provost

### Job Purpose

To direct and manage statewide operations and activities of the Virtual College of Texas (VCT), a collaborative of all public two-year colleges. VCT's mission is to increase student access to higher education and improve student success by facilitating inter-institutional sharing of instructional, administrative, and support services and by providing services that support member institutions' eLearning programs. The Director acts in accord with counsel and direction provided by the Texas Association of Community Colleges (TACC).

### Description of Duties and Tasks

*Essential duties and responsibilities include the following. Other duties may be assigned.*

#### **Required**

1. Implements policies, practices, and new initiatives as directed by the Texas Association of Community Colleges (TACC). Closely coordinates VCT plans and activities with the Director of the TACC Center for Student Success, ensuring that they support TACC student success goals. Informs TACC of specific eLearning issues and concerns applicable to colleges statewide.
2. Works closely with the TACC Center for Student Success, the TACC eLearning Counsel, special task forces, and colleges' VCT Coordinators in the development of strategic plans. Collaborates with STARLINK to ensure that strategic plans of both VCT and STARLNK are complementary in support of TACC student success goals and objectives.
3. Develops and manages annual budgets. Hires and manages VCT staff and subcontractors and, as needed, hourly employees and consultants.
4. Supervises ongoing website management and maintenance and the development of custom-programmed applications, from specifications development through programming, testing, and user documentation.
5. Ensures the availability of technical assistance for VCT website users and administrative support for colleges in regard to VCT policies, practices, and procedures. Supervises the VCT Coordinator performing these duties.
6. Maintains ongoing communications with colleges and others regarding VCT services and benefits.
7. Manages special projects and initiatives, e.g., awarding VCT grants to colleges, managing software licenses negotiated by VCT.
8. Identifies areas needing improvement by assessing VCT performance data, input of the TACC eLearning Committee, TACC eLearning Council, VCT Coordinators and others, and results of the Annual Institutional Evaluation of VCT; proposes improvement strategies and directs their implementation as appropriate.
9. Serves as the liaison to the Southern Association of Colleges and Schools on matters related to VCT inter-institutional course sharing practices.
10. Oversee all VCT programs and lead initiatives to transform VCT into a world class learning organization meeting the needs of the college community.
11. Have a clear understanding of changing community college challenges and goals as well as the global workforce demographics and state's future workforce demands and tailor learning offerings accordingly.

12. Adheres to administrative policies and procedures of VCT's host institution, Austin Community College District.
