

Vice President, Student Services

FLSA Status: Exempt

Pay Grade: 99

Job Title ID: 221050

Job Series/Job Family: Administrator Series / Administrator Family

Reports To

Provost/Executive Vice President for Academic Affairs

Job Purpose

Responsible for leadership and supervision of all student services. Supervises the Associate Vice President of Student Success, Deans of Student Services, Executive Director of Admissions and Records, Executive Director of Financial Aid, Director of Special Populations, Director of Student Life and Manager of the Help Center. Responsible for the development of policies, procedures, programs, and services in accord with the latest research and in participation with relevant state and national initiatives/agencies (e.g., Achieving the Dream, Texas Completes, Community College Research Center, etc.) which will promote, encourage and support student success. Fosters one-college and servant-leadership concepts and collaborates and cooperates with other college administrators and departments in college-wide planning and coordination. Ensures college compliance with SACS, THECB, and all other regulatory agencies. Participates in development of academic master plan initiatives and evaluation of programs and services. Provides leadership in responding to local education needs and for developing and maintaining relationships with the independent school districts, businesses, community organizations, and universities in the college service area.

Description of Duties and Tasks

Essential duties and responsibilities include the following. Other duties may be assigned.

Required

1. Leads, contributes to, and supports policies, initiatives and strategies throughout the College that are demonstrated to enhance student access and success.
2. Works collaboratively with institutional research and instructional leaders to develop and apply appropriate data measures in decision making that track the recruitment, entry, academic progress/persistence, completion, and placement (transfer or job entry) of students.
3. Leads in designing and implementing a comprehensive advising and management system that ensures students a strong start and consistent feedback through each step of their college experience.
4. Leads in searching for and building effective and efficient technology solutions in student services (such as automatic graduation, e-advising, e-portfolios, etc.).
5. Ensures consistency and coordination of quality student services at all campuses, centers, and Highland Business Center.
6. Ensures effective student services for special populations, including students who have aged out of foster care.
7. Develops, manages and monitors annual budgets in all assigned areas and seeks external funding.
8. Supervises assigned staff, with responsibility for hiring, training, and evaluation.
9. Develops master planning and assessment priorities for assigned areas, in collaboration with faculty, staff, students and departments.
10. Responsible for developing and maintaining positive relationships with local colleges and universities, independent school districts, community organizations, and businesses.
11. Leads and serves on college shared governance structures, and other work groups.
12. Leads in the planning of new campuses and other facilities.
13. Ensures appropriate safety training is completed, and in compliance with all health and safety rules and

processes.
